2) PROFESSIONAL OBLIGATIONS.

If a defendant knows or should know that a criminal or traffic conviction may affect his or her professional licensure in the state of Ohio, the defendant shall self-report such licensure to defense counsel and the Court so that the Court may make notification of convictions pursuant to Ohio Rev. Code § 2915.38. If the Defendant does not report licensure status for the Court to comply with this requirement upon sentencing, the probation officer shall notify the Prosecutor and Court upon learning of a licensure issue. 4) PROBATION VIOLATIONS BASED ON NEW CHARGES. In the event a new criminal or traffic offense in this Court results in an alleged probation violation, the Probation Officer shall provide notice of that alleged violation to the Prosecutor and the Prosecutor shall provide discovery to defense counsel for the alleged violation and any new charges. Failure to appear at that time is considered contempt of court and will result in a warrant for contempt of court with the potential fine of \$250.00 and 30 days in jail. Loss of license for failure to appear and collections proceedings will also apply.

4) RESTITUTION.
